

## LIST OF NETWORKS PROVIDING ASSISTANCE TO INTERNALLY DISPLACED PERSONS (IDPs) FROM KOSOVO

30 July 2005

This list was compiled by the Communities' Outreach and Communication Group (COCG) located in Prishtinë/Priština. Its purpose is to help IDPs from Kosovo identifying which organizations and centers can assist them in their different steps when inquiring about returns possibilities. This list is a start, which we hope to supplement with more information and re-publish in a more comprehensive version later on.
